

**January Principal's Message**  
**Parkers Prairie High School**

**JANUARY**

*Greetings from the  
Principal's Office!*

*Happy New Year!*

**PANTHER BOOSTERS & PANTHER PARENTS**

We are in need of your help, Parents! We are working to keep the long line of Panther Boosters tradition in District 547. Parents of current and future high school students are needed to continue the great tradition of support to our district. Over the course of the past several years, the Panther Boosters have donated over \$80,000 to our district. Without their support, performing groups and athletic teams wouldn't have the resources needed for the teams to thrive. Panther Parents is beginning to grow from the elementary school into the high school. The purpose of this group is to support staff and students meet school-wide goals and promote positive academics in the school. Together these groups can make big impact in small ways. If you would consider anything: from ticket-taking, to making a pan of bars, to supporting a learning opportunity for families, please contact the office or email me at [cjohnson@pp.k12.mn.us](mailto:cjohnson@pp.k12.mn.us) .

## Parkers Prairie High School

### SCHOOL-WIDE GOALS: We need your help

We have reached the halfway point for the year. The focus this year has been on interventions regarding attendance and work completion. We need your help to meet our school-wide goals this year. Please do the following in support of your student:

- See that your child arrives at school each day and on time
  - If he or she must be gone, communicate with the school regarding absences
  - Insist on your child completing assignments at night or weekends
  - Utilize our support system of after school homework help, Saturday School, tutoring, and meeting with teachers
- Encourage your child to read each night at home

### **UPCOMING DATES AND REMINDERS**

- Sno Daze January 23-27
- Dance at elementary is sponsored by Panther Parents. This is going to be unlike any winter dance we've had before. Lots of games, dancing, and fun activities for students.
- January 23, 2017 no school
- February 20-21, 2017 no school
- Saturday School:
  - January 14 & 21
  - February 4 & 25
