Chairperson Steve Inwards
Independent School District No. 547
411 South Otter Avenue
Parkers Prairie, MN 56361

Dear Chairperson Inwards:

I hereby submit my resignation as a teacher in Independent School District No. 547, Parkers Prairie, Minnesota, under the condition that for the 2017-18 school year and the following five (5) school years the School District will continue to pay the employer's share of healthcare premiums toward a family plan, in the same manner as when I was an active teacher. If this letter of resignation is approved, the last District insurance contribution on my behalf would be made in June of 2023. During this six-year period, I agree to pay the monthly required employee share of the insurance premium.

My resignation will become effective upon the School Board's acceptance of this conditional resignation. In the event the School Board does not accept the terms of this conditional resignation, I revoke the resignation request and will remain a teacher with the School District.

As part of my resignation, I acknowledge that I will not bring forward claims or litigation that would involve District 547.

Sincerely,

Scott Peterson
