These fees are used for the following: Summer Rec. T-shirt, to provide transportation, pay for equipment and to provide supervision for the activities. We will not exclude any child from participation in Summer Recreation due to an inability to pay the total fee. If the Summer Recreation fee is a problem for your family, please contact the District Office to make other payment arrangements. Make checks payable to Parkers Prairie Summer Recreation Program.

The goal of this program is student participation. All participants will be given an opportunity to be involved in all activities they choose to participate in. The emphasis is on skill, exposure, development and having fun.

We will not tolerate foul or abusive language or unsportsmanlike conduct from any of the participants. Parents and others who are observing as spectators are asked to set a good example for our young participants by cheering good play regardless of who makes it and showing encouragement for those who need it. Parents and spectators are expected never to challenge an umpire or coach. We want to develop good sportsmanship and character traits in our student participants.

All students participating in the Summer Athletic Program must have their parents sign the attached consent and registration form. Naturally this schedule is subject to change. The baseball and softball game schedule is attached. Weather related announcements will be sent out by our Instant Alert system.

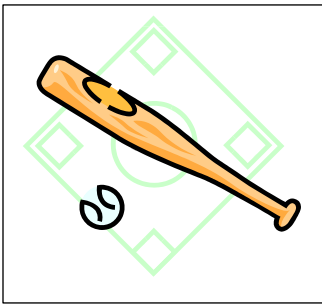

Sincerely,

Tom Ames, Superintendent
