

PRESCRIPTION MEDICATION AUTHORIZATION

Whenever possible, we ask that medications be administered at home. If it is necessary for medication to be administered to your child at school, Minnesota Statute 126.202 requires the school to get permission and pertinent information in order to safeguard the health of students. This applies to both prescription and over-the-counter medication.

Student Name:	Birthdate:
Classroom Teacher:	Grade:

Medication	Dose	Time Given	Possible Side Effects
Reason for Medication:			

1. I request that the above medication(s) be given during school hours as ordered by the physician/licensed prescriber. I also request the medication be given on field trips, as prescribed.
2. I release the school from liability in the event adverse reactions result from taking the medication(s).
3. I will notify the school of any changes in the medication(s) (ex. Dosage change, medication discontinued, etc.).
4. I give permission for school personnel to consult with the student's physician/licensed prescriber regarding any questions about the medication(s) or conditions.

Parent/Guardian Signature:	Date:
-----------------------------------	--------------

- Medication must be brought to school by a parent. **Please do not send medication with your child.**
- Medication must be in a properly marked bottle that is left at school.

No medications will be administered without the proper permission and information.

School personnel will keep medication in a locked location and will record the administration of medication.
